Drafting and publishing a research paper can be a complicated process. Campus is a collection of courses that simplifies it. These 10 courses, created and reviewed by experts in each topic and delivered through an engaging format, guide researchers through the entire process, helping achieve publication success and maximize impact for their research. Primarily designed for early-career researchers, the courses will also benefit experienced team members ready to update their skills. Have a sneak peak of what's on offer:

- >01. How to Conduct Ethically Sound Research**
After this course, students will be able to list the main ethical concerns in scientific writing and take appropriate steps to ensure their research is ethically sound. It can be purchased as an individual course or as part of the Campus bundle.
- >02. How to Avoid Your Paper Being Rejected**
At the end of this course students will be able to outline the journey a paper takes to becoming a published article; describe the most common reasons for rejection or revision; identify solutions to avoid their paper being rejected.
- >03. How to Write a Compelling Case Report**
After this course, students will be able to decide whether to publish a paper takes to becoming a patient case, choose a journal, write clearly & ethically, and outline common reasons for rejection. It can be purchased as an individual course or as part of the Campus bundle.
- >04. How to Write a Clinical Research Paper**
Release Date: December 2021
- >05. How To Review a Clinical Research Paper**
Release Date: December 2021
- >06. How to Choose a Target Journal**

Step 4

The screenshot displays the Karger Courses dashboard. At the top, there is a navigation bar with 'Karger Courses' on the left, 'ALL COURSES' and 'EVENT CALENDAR' in the center, and a search bar on the right with the placeholder text 'What are you looking for?'. Below the navigation bar, the breadcrumb trail reads 'COURSES > ACCOUNT > DASHBOARD'. The main heading is 'Dashboard' with a small graduation cap icon and the word 'EDUCATION' to its left. A dropdown menu is set to 'All'. The dashboard features a grid of ten course cards, each with a 'COMING SOON' badge, a progress indicator at 0%, and a 'See Overview' link. The course titles are: 01. How to Conduct Ethically Sound Research, Campus Webinars, 10. How to Get Your Paper Noticed Following Publication, 09. How to Decide on Preprints and Open Access Licence, 08. How to Write a Systematic Review Paper, 07. How to Review a Systematic Review Paper, 06. How to Choose a Target Journal, 05. How To Review a Clinical Research Paper, 04. How to Write a Clinical Research Paper, and 03. How to Write a Compelling Case Report.
